3. Tax Withholding Election - contact your current custodian or trustee for state tax withholding requirements, if any.

Federal Tax Withholding

IRS regulations require the custodian or trustee of your IRA to withhold federal income taxes from the conversion distribution at the rate of 10% unless you elect not to have withholding apply. Withholding will apply to the entire amount of the conversion distribution, including the amount of any nondeductible contributions that may have been made to the IRA. You may not convert any portion of required minimum distributions (RMDs).

If you elect to have federal income taxes withheld, you may still invest the entire amount of the conversion distribution into your Pax World Funds Roth IRA by using other assets to replace amounts withheld as a prepayment of federal income taxes. Remember, if you use your IRA assets to pay taxes on the conversion distribution amount (either by liquidating additional

shares or by not replacing amounts withheld for federal income tax), the IRA assets used to pay those taxes may be considered a premature distribution (if you are under the age of 59½) since they are not being converted into the Roth IRA or rolled over into another IRA and you could also be subject to a 10% early withdrawal penalty.

Please select one of the following:

- Do **NOT** withhold Federal Income Tax (Not available on accounts with an address of record outside of the United States or its possessions.)
- Withhold **10%** Federal Income Tax
- Withhold _____ % Federal Income Tax (must be greater than 10%)

State Income Tax Withholding

Your state of residence will determine your state income tax withholding requirements, if any. Those states with mandatory withholding will require state income tax to be withheld from payments if federal taxes are withheld. Voluntary states let individuals determine whether they want state taxes withheld. Some states have no income tax on retirement payments. You may wish to consult with a tax advisor or your state's tax authority for additional information on your state requirements.

- I elect **NOT TO** have State Income Tax withheld from my retirement account distributions (only for residents of states that do not require mandatory state tax withholding).
- I elect **TO** have the following dollar amount or percentage from my retirement account distribution withheld for State Income Taxes (for residents of states that allow voluntary state tax withholding). \$ _____ or % _____
