

Impax Asset Management Group plc – Q1 AUM update

London, 7 January 2019 - Impax Asset Management Group plc ("Impax" or the "Company"), the AIM listed specialist investor focused on a more sustainable economy, today provides an update of the development of its assets under discretionary and advisory management ("AUM") for the first quarter of its financial year.

On 31 December 2018, the Company's AUM totalled £11.6 billion, representing a decrease of 8% over the quarter.

Ian Simm, Chief Executive, commented:

"During a financial quarter of falling markets and high levels of redemption from investment funds, particularly by retail investors, Impax continued to record positive net inflows."

Impax Asset Management manages or advises on both listed and real asset strategies. The Company's investments are based on the strong conviction that population dynamics, resource scarcity, inadequate infrastructure and environmental constraints will profoundly shape global markets, creating investment risks and opportunities. Impax expects that these trends, reflecting the transition towards a more sustainable global economy, will drive earnings growth for well-positioned companies. Impax's proprietary investment framework identifies and calibrates the rising risks and expanding opportunities from this transition, and guides the search for investments that will deliver long term outperformance.
